

Extraordinary Message from the Chief Executive 12 December 2016

**Message from Jane Sydenham-Clarke
Chief Executive**

Dear Members

Membership Manager

I am delighted to advise, further to an open market recruitment process Andrew Power has been appointed as our new Membership Manager. As you will understand, this is a pivotal appointment for our organisation and, following an extensive process, I am confident that Andrew, a Freemason, brings the necessary advanced personal, professional and technical skills required to take this critical portfolio forward in a manner appropriate to our times and innovating into our future.

Please join me in congratulating Andrew and supporting him as we together build a vibrant and sustainable future for Freemasons Victoria.

Constitutional Change Webinar

I encourage you to take a look at today's webinar with our Grand Master, Deputy Grand Master and President of the Board of General Purposes answering your questions on the proposed Constitutional changes to be voted on this Wednesday at our Quarterly Communication. You can catch the webinar [HERE](#).

I look forward to catching up at the Quarterly.
Best wishes
Jane
