Dear Brethren

I am pleased to advise that further to our consultation with members in forums and beyond, an amendment to the proposed Constitutional changes is planned to be put before you at the [upcoming Quarterly Communication](#) on Wednesday 14 December 2016 for your deliberation.

We are grateful to MWBro. Garry Sebo PGM for his carriage of this amendment which deals with concerns with respect to the Grand Master's authority and we are pleased to advise that we have listened to and moved to address those concerns which we understand are shared by others.

The amendment from PGM Garry Sebo and the explanatory note to the amendment can be seen [here](#).

You are encouraged to support this amendment in your vote at our Quarterly Communication.
